

Obtaining an EDC Account:

If you do not yet have an EDC account, and wish to purchase one, please use the information provided below to contact Axon and begin the process.

- **Cost: A 'Pro' account is required** to set up your access. This will be your main account.
 - For administrative members of your firm to have their own login to your firm's EDC account, add basic (or pro) accounts at your discretion. This can be done during registration, or after registration.
 - Pro Account - ~\$39 a month, billed annually.
 - Basic Account - ~\$15 a month, billed annually.
- **Instructions to Purchase an EDC account:**
 - Contact Axon at justice@axon.com to begin registering and setting up an EDC account.
 - Inform them that you are a private attorney in Montgomery County TX, wanting to purchase an account.
 - ***Your Agency Name must follow the format of "FirstName LastName TX Discovery".***
 - **Additional attorneys at your firm must purchase their own EDC accounts. You cannot have multiple attorneys under your account.** This is due to disclosure and audit functions within this system. If you have questions, please contact the Chief of Intake with the District Attorney's Office.

Upon completion of registration, email repletter@mctx.org to notify our office that you registered an EDC account and provide the email address and "Agency Name" you registered with, as that is what we will use to send you discovery.
